

SAMPLE final exam: Writing 2014, Semester 2

Instructions

Use only blue or black pens, and whiteout or correction fluid is permitted. Do not use a dictionary or mobile phone, and do not look at other people's exam papers during the exam, this is considered academic dishonesty; you may be removed from the exam room. If you choose to leave early, please leave very quietly. This exam has two sections; complete all.

1. Common Errors (10%)
2. Writing task (15%)

1. Common errors (10%)

Correct these common errors, 1% each. Question 0 is an example.

concerts

0. I go to ~~live~~ every weekend.

2. The number of smartphone zombie is increasing.
3. A smartphone zombie is a person who is using their phone while walking. It is dangerous.
4. Consequently, these are serious problems in society.
5. I don't agree with this situation.
6. Using smartphone too much causes a lot of problem.
7. Recently, global warming is a problem.
8. I think this is a serious problem. I will write about this matter.
9. The auto industry developed the hybrid car
10. I like TOYOTA cars. And I like Apple computers.

2. Writing Task (15%)

Write *one* short opinion essay like in topic 5. You can rewrite your previous article, but with corrections and improvements. Papers and mobile phones are not allowed in the exam. Do your best to include reference information (incomplete referencing is ok, but give enough information for me to be able to find your sources). Use good essay structure, and only use pen (do not use pencil). Be sure to write well, and grammatically accurate, with good word choice, and a lot of interesting information.

Commented [AB1]: We did not do a "topic 5", this is just an example.
